

4-inch Slim recessed panel light

Feature:

- Energy efficient - up to 80% energy saving.
- Super thin design
- Dimmable
- Round and Square shape available
- White, Black and Brush Nickel Trim Available
- Type IC Rated- Approved for Direct Contact with Insulation
- Air Tight and Damp Location Approved
- Pot Light Housing NOT Required even for Insulated Ceilings
- Energy star & cETL, certified to CSA

Specification:

Model	EPCL-9X-ETL
Wattage	9W
Input voltage	120V
Lumens	750Lm
Beam Angle	120°
CCT	3000K/4000K/5000K/3CCT
Trim color	White, Black, Brushed Nickel
Life Span	50,000h
Dimming	Yes
Operating Temperature	-30°C--+55°C
The highest temperature when working	55°C
CRI >	80
PF	>0.95
Certification	Energy star & ETL
Driver	IC Rated
LED Light Source	SMD2835
Cut-out	4-1/8 in
Out size	4-3/4 in
